Audio files of these tunes are available from *Australian Traditional Music Tunes*: [www.bushtraditions.wiki](http://www.bushtraditions.wiki)

You can download them as MP3 files. Printing is more complex; you need software on your computer that reads ABC format. Download the ABC files from the Wiki and use them to print from your computer. Poke around in the "Getting Started" page to find out how to download and use the ABC files, and how to download the audio files.
